

2019-20

The BPO recently announced the dates for next season's *Music for Youth* concerts and I wanted you to have them before the end of the school year so that you can start planning a return visit to Kleinhans Music Hall. Please note that "Moving and Grooving" concerts are designed specifically for 1st through 4th grades. Please use this [link](#) to make a reservation or to find information on all of our education concerts and programs for the 2019-20 season.

Moving and Grooving

How does music move? Using rhythm and meter as our guides, we'll explore how music can demonstrate, express and encourage movement. We'll hear how composers depict mechanical movement, as well as movement in nature. We'll feel how dances of different cultures can make us move in different ways. Students will listen, conduct, sing and dance in this interactive program featuring a diverse selection of music that makes us move!

Tue Oct 29 at 10:15am and 12:15pm | Thu Nov 21 at 10:15am
Tue Feb 11 at 10:15am | Wed Mar 11 at 10:15am
